CSR Report

Go Green Program

Bins, Benches and Assorted Gifts Donation

Objective

Promoting Environmental Awareness and Sustainable Practices

To promote environmental sustainability and community engagement by providing bins for waste segregation and recycling, and garden benches to create eco-friendly, relaxing spaces. This initiative encourages responsible waste management, fosters eco-conscious living, and enhances community well-being.

About the Beneficiary

This initiative seeks to improve community spaces and promote sustainable practices by providing bins and benches. By offering eco-friendly infrastructure, the project enables local residents to engage in responsible waste management while enjoying upgraded green spaces for relaxation and social interaction.

A total of 30 bins, 10 garden benches and 300 assorted gifts were distributed to various organizations during events.

Bins Distribution

Total Quantity: 40 Bins

These bins are placed strategically to promote waste segregation and recycling across key locations in Pune and Mumbai. The goal is to educate the community on the importance of proper waste disposal while improving the cleanliness of the surroundings.

Subject: Gratitude for Donation of Recycled Tetra Pak Benches and Bins

Respected Madam,

We sincerely extend our heartfelt gratitude to RUR GreenLife for donation of 5 recycled benches and 20 bins made from Tetra Pak cartons. Your thoughtful initiative not only enhances our space with sustainable infrastructure but also reinforces the importance of recycling and environmental conservation.

We deeply appreciate this meaningful contribution and look forward to continuing our association in supporting sustainable solutions for a better future.

Thank you for your generosity and commitment to the environment.

Yours sincerely,

Mr Vinay Adhye
(Business Head)

Thank You!
